# Happy Women's Day!

March 2021

March 8 - Women's Day. This is a national holiday. On this day, you should congratulate mothers, grandmothers, wives and daughters. Children prepare gifts for their mothers, and men give flowers and other gifts to women. On this day, you can see a lot of smiling women. It's a fun holiday. This is the beginning of spring. I really like this holiday. Everyone tries to be happy on this day.

Congratulations on the eighth of March!

# Coco Chanel

Coco Chanel is a famous French couturier.

Gabrielle Bonheur Chanel was born on August 19, 1883 in the French city of Saumur. Gabrielle was the second daughter of traveling salesman Albert Chanel and Jeanne Devollet. The family was not rich, and the girl was born in a nursing home. The employee of the institution did not know how to spell the child's surname and wrote Chasnel. At the age of 12, Coco lost her mother, and her father leaves the family. Chanel's children had to live for seven years in an orphanage at a Catholic monastery. Here Coco masters sewing skills. At 18, she gets a job at a local sewing workshop. Here she meets the millionaire Etienne Balsan, and soon they start their own business. Having broken with Etienne, in 1913 Coco moved to Paris, where she opened her first store. Alas, the outlet was not in the center of Paris and quickly went bankrupt. During these pre-war years, Coco Chanel meets Arthur Capel. Thanks to him, he opens a shop for ladies' caps in the Brittany district. Then several more stores are opened throughout France. In 1921, Coco and the Russian émigré Ernst Boe released the first polyaromatic Chanel perfume number five, which, with updated interpretations, remains a perfume classic to this day. In 1925, the Chanel House began to work. After the outbreak of World War II, Coco closed all of her stores, calling this period "not the time of fashion." She settles at the Ritz Hotel. During the years of occupation, she spends several months in prison. After the war, she was forced to move to Switzerland, returning to Paris only in 1954. She launches a new collection of clothes, which the French did not accept, as many believed that Chanel had connections with the Nazis. Coco Chanel died of a heart attack at the age of 87 on January 10, 1971 in Lausanne, Switzerland.

I've watched a film that inspired me so much ...

Write a letter to Theo. In your letter answer his questions, ask 3 questions about THE FILM he watched. Write 100-140 words.

Dear Theo,

Thank you for your letter. It was nice hearing from you again.

In your letter you asked me about the Internet. So, I try to use the Internet rarely, because I prefer an active type of relaxing. Honestly, I usually use the Internet for 3-4 hours a day. Well, my favorite devices are smartphone and laptop. Fortunately, my parents understand that the Internet is modern life and they don't mind me surfing the Internet.

By the way, what is the name of the film you watched? How long does this film last? What is the movie about?

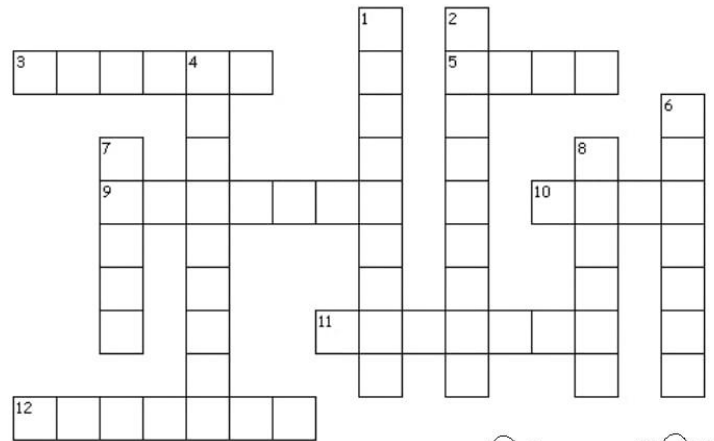

Sorry I have to stop now as promised to help my mom.

Hope to hear from you soon.

Best wishes,  
Mazilova Alina
